November 2019

## All Saints Sunday, November 3<sup>rd</sup>

Sunday, November 3<sup>rd</sup> is All Saints Sunday. As part of the 8:00 a.m. and 10:00 a.m. services we will remember our members and loved ones who have passed during the last year. This includes our immediate family – parents, children and grandchildren.

We will also remember other family members, friends, neighbors, or people who have made an impact on our lives, and those who have moved away but were part of the church family for many years.

There is also time when the congregation in the pews will remember the names of loved ones who have died during the last year. This part of the service includes a time of silence for people to lift up in their hearts, the names of their loved ones.

Our dear members and immediate family members who have passed this last year are:

**Harry Im**  
**Eileen Holder**

**John Farley**  
**Ruth Heaton**  
**Carl Fallgren**

**Edel Caruso**

**Mary King**

**Phyllis Vandeventer**

**Ronald Rogers** (son of Ian and Carol Rogers)

**Carmen Blancarte** (mother of Dolores Gonzalez-Hayes)

**13<sup>th</sup> Month**

## **Thank you!!**

A tremendous thank you to the entire St. Matthew's church family for their generous support of the 13<sup>th</sup> month special offering. Overall, the congregation contributed \$8,920 in extra 13<sup>th</sup> month gifts. These gifts helped keep St. Matthew's strong and vital. They supported the church's overall ministry including a strong pastoral presence, amazing music, having a beautiful place to worship, and providing a foundation for a strong community presence.

Summer often brings giving doldrums because of travels, vacations . . . . So, St. Matthew's has to stretch to stay current on all the different parts which are necessary to the church's overall ministry. Salaries, utilities, maintenance play important roles in making the church's overall ministry possible.

This summer was particularly challenging. In addition, to the summer giving doldrums, we also had some unexpected expenses such as repairs from the July 4<sup>th</sup> earthquake.

And then the 13<sup>th</sup> month special offering happened! Sharing about how St. Matthew's makes a difference seemed to inspire catching up with overall giving and lifted us out of the summer doldrums. And, the 13<sup>th</sup> month gifts not only provided a much-needed boost out of the summer doldrums, but also provided significant help with the unexpected expenses.

Thanks to your generosity, your gifts of time, spirit and money, the church and its ministry now has a stronger foundation to positively benefit the lives of all in a hungry and hurting world. With gratitude and joy let us celebrate how we are blessed!

## **Getting Ready for Our Listening Post Sunday, November 3<sup>rd</sup> After Church**

Pastor Richard will be leading a discussion about the current situation within The United Methodist Church on Sunday, November 3 after the 10 a.m. Worship Service in the Church Library. He will be talking about the impact of the 2019 Special Session of the General Conference. This impact includes the "traditional" plan that is supposed to go into effect on January 1 2020. And, it also includes the different ways that churches in our area may respond to these changes.

The Annual Conference is hosting a Listening Post in our area on Saturday morning, November 9. The discussion with Pastor Richard will provide people with helpful information before going to the listening post.

**LISTENING  
POST**

## **Listening Post – Saturday Morning, November 9**

The purpose of the Cal-Pac Listening Post is to give the people in local churches an opportunity to reflect on what is important to them in their Christian faith and in the United Methodist Church, then to imagine new directions for the church toward which God seems to be leading. The Listening Post for our area is from 9:30 a.m. to 12:30 p.m. on Saturday morning, November 9 at First Filipino-American UMC, 1415 9<sup>th</sup> Ave, Hacienda Heights, CA.

Pastor Richard is offering a class on Sunday, November 3 after the 10 a.m. Worship Service in the Library to help prepare people for the Listening Post.

## Thanksgiving & Christmas Potluck Sunday, December 8<sup>th</sup> at 5 pm

St. Matthew's is exploring a new tradition. It is a combined Thanksgiving & Christmas Potluck on Sunday, December 8<sup>th</sup> at 5 pm in the Fellowship Hall. Because of this potluck, there will **not** be a potluck on November 24<sup>th</sup>, the Sunday before Thanksgiving.

Joy Feulner is coordinating the Thanksgiving/Christmas Potluck. Turkey, dressing and mashed potatoes will be provided. People will be asked to bring side dishes and desserts. Watch the December *ParishScope* and church bulletins for more information.

## St. Matthew's Continues Helping Disaster Victims through UMCOR

In recent months, people of St. Matthew's has given just over \$4,900 through UMCOR (United Methodist Committee on Relief) to help with:

- Children at the U.S. border
- Victims of Hurricane Dorian
- Victims of the California fires

UMCOR specializes in long term recovery. So, it is often present for years after a disaster as it works with people to help rebuild homes, communities and lives.

100% of UMCOR gifts go to help with recovery work. UMCOR's administrative needs are taken care of in other ways.

You can continue supporting the work of UMCOR by placing a gift in the offering plate on Sunday or mailing it to the church office. Please make sure to mark your check or offering envelop "UMCOR." If you are giving to help with recovery work from a particular disaster, please also note this on your check or offering envelop.

## Celebrating Our Church Family Connections

The St. Matthew's church family has been building bridges with all of the groups and ministries which are happening at St. Matthew's. Recently, this happened through a series of special Sundays:

- **Scout Sunday**, September 22 when young people from both Pack 710 and Troop 710 who did an amazing job of leading the 10 am worship service. The 9 young people who spoke about what "reverent" meant to them were particularly inspiring.
- **Blessing of the Preschool Sunday**, September 29 when preschool children, their families and the teachers were blessed for the coming preschool year. And, it was a blessing for the congregation to hear the children sing.
- **World Communion Sunday**, October 6 with more than 140 people from St. Matthew's, Blessed Chinese and Hacienda Korean worshipping and celebrating communion together. Please see the wonderful picture of the pastors and DS.  
Afterwards the three congregations had a wonderful Fellowship meal together.

## Thanksgiving Food Boxes

Again, this Thanksgiving Season, St. Matthew's is gathering food to distribute Thanksgiving Food Boxes to hungry families at two local schools. Dorothy Persinger, along with Sherry Morales, is taking care of this project. Thank you, Dorothy and Sherry for donating your time!

Cub Scout Troop 710 will be gathering food for the boxes. Our Preschool also helps by donating cans of corn.

St. Matthew's members can also help by contributing money to be used to provide gift cards to enable a family to purchase a turkey, ham or roast. Thank you for your support !

The Cubs will be in front of *Ralph's Supermarket* (Colima and Whittier Blvd.) on Saturday, November 16<sup>th</sup> from 8:00 a.m. to 4:00 p.m. collecting food. A list of suggested food items for the boxes will be handed out by the Cubs as well.

Our Preschool Director, Sherry Morales will be delivering the filled thanksgiving boxes to KWIS Elementary and Newton Middle School on Thursday, November 21<sup>st</sup>.

We will need help in packing those boxes. The day and time you can help fill the food boxes is Tuesday, November 19 starting at 1:00 p.m. Meet in the Church Office.

Please contact Dorothy Persinger or Louise in the Church Office if you would like to help pack the food boxes or need more information.

## What's Happening at the Preschool?

We are very excited that November has arrived! During this month we have so many important projects, activities and holidays to look forward to including Veteran's Day, our first fundraiser of the year, the preschool's annual Thanksgiving Feast and the Thanksgiving Holiday. The children will spend quite a bit of time learning about the men and women who help to keep our country safe and will learn about some of the things they do to help others in need. They will also get a chance to talk about the people who are most important in their lives and we will also be learning about what we ourselves can do to help others in need.

As we have done in past years, the preschool is going to join St. Matthew's United Methodist Church and the Cub Scouts to take part in a canned food drive to help out those less fortunate. We will be setting up donation boxes outside the preschool office and are asking families to please donate cans of corn for the food boxes that will be given out to needy families affiliated with Kwis Elementary and Newton Middle School just prior to Thanksgiving.

Questions can be directed to either Dorothy Persinger of St. Matthew's Church or to Sherry Morales of St. Matthew's Preschool. Please join us in making the Thanksgiving Holiday special for all!

## An Update from Your Board of Trustees

Your Board of Trustees has been busy, behind the scenes.

- We've gotten a couple of bids for the Sanctuary chairlift project.
- Trustees and other church members have been "digging" in to help the Preschool Director, Sherry, to clean the outside of the preschool, the classroom cupboards, and to help make their large planter viable for future science/nutrition growing.
- The photo shop perspective of the garden beautification project around the Sanctuary was approved. Dick Cline is now getting bids for this landscaping project.
- The latest Boy Scout Eagle Project was completed. Under the guidance of Huber Bongolan, the Scouts painted new lines for the parking spaces in our parking lots and added several new handicapped parking spaces. We sure appreciate the Scouts good work.
- On our list to repair is filling-in of the spaces where concrete has disintegrated on the front handicap ramp.
- We've added the urgent reroofing of the main office building to our project list as well.

Please consider the needs of your church, as you plan your holiday giving.
