ANOTHER NOTE FROM YOUR FINANCE COMMITTEE

Our church's current financial situation falls short of our budget. We deeply appreciate your continued offerings and financial support for the church.

In today's world of higher standard deductions and fewer itemized deductions, the Qualified Charitable Distribution ("QCD") is a powerful tool that we all should be aware. For eligible taxpayers who donate to charity (i.e. St. Matthew's) this is a winning strategy with practically no negative consequences. Basically, a QCD allows the taxpayer to get a deduction "right off the top", by never reporting funds in their taxable income that are used to fund the charitable contribution.

What is a QCD?

Here, the taxpayer directs their IRA (individual retirement account) custodian to send IRA funds directly to charity. If the taxpayer qualifies, the IRA funds that went to charity are not deductible, but the IRA proceeds are not included in the taxpayer's income. The result is that the taxpayer gets a tax deduction "off the top" by never including the retirement distribution in income in the first place.

Required Minimum Distributions ("RMD")

Before the QCD rules are explained, first the taxpayer should understand the Required Minimum Distribution (RMD) rules. Under the Internal Revenue Code, a taxpayer is subject to taxable income plus penalties when funds are withdrawn from retirement accounts before age 59-1/2. However, once the taxpayer reaches a certain age, they cannot put off retirement withdrawals any further. Currently, the RMD rules start at age 73.

What are the core requirements of a QCD?

1. The taxpayer directs their IRA custodian to send IRA funds directly to charity. The taxpayer must not touch the funds, even momentarily. Only traditional and Roth IRA accounts are eligible – not qualified retirement plans (like 401(k) plans), and not other personal retirement account plans such as SEPs or SIMPLEs.
2. The funds must go directly to a qualified public charity. QCD treatment is available only when the charitable contribution would have been entirely deductible.

Advantages of QCDs

1. QCDs satisfy that portion of the taxpayer's RMD requirement for that year. For example, Mary Jones has a \$56,000 RMD requirement for the year. She directs her IRA custodian to send \$20,000 of her IRA to her church. She now has a RMD requirement for the balance of \$36,000 for the year.
2. With higher standard deductions, more and more taxpayers find that there are no tax savings for their charitable spending. QCDs can bypass that limitation. Qualified charitable distributions are a powerful part of the tax plan for those taxpayers who qualify. Taxpayers should plan their use of this tool intentionally and carefully for maximum benefit.

*If you have any questions or would like to discuss further,
please contact Patty Graves or Terry Feulner.*

Thanks to all those who have financially supported the **East San Gabriel Valley Coalition for the Poor and Homeless** during the month of August.

Congratulations to YOU! We are making steps once more and doing our share with our commission. Wow! Twenty bank boxes have been delivered to the **ESGVC Outreach** of helping those unfortunate who are struggling to make ends meet. Over twenty bank boxes which supported persons in the San Bernardino Big Bear Area. A little administration and sorting of our Souper Bowl collection required date coding checking and sorting. But with the awesome help of my Trail Life USA boys and fathers the close dated soups were heated and fed to warm persons of the Big Bear Mountain Community come together in community serving persons in the Big Bear Mountain Area winter storms.

Keep collecting up your found coins. As Dorothy commented at our Sunday Worship on August 18th, every lost coin is money from heaven a gift from God. God's gift can help St. Matt's Outreach to the community in Jesus Commission.

Fall is almost here and many of us are anxious for its arrival to cool us off, I hope. Before you know it, we will be wanting and needing the warmth of our sweatshirts, hoodies, and jackets. Our unfortunate souls living on the streets always are thankful to receive a CLEAN, NEW pairs of socks and a jacket. If you are like me going through your closets and finding jackets, hats, whatever which can be a welcome site of someone needing one.

Thank you for your generous support in the ways you can. See you at Church.
